Mr. Mahomed Osman who is an L. M and S and a sub-assistant surgeon seems to feel that the designation Sanitary Inspector Bangalore city Municipality given to him in Roff$^{no}$ $\frac{5460}{L.F\ 226-96}$ dated 13/11/97 is some-what derogatory to his attainments the Senior sur-geon therefore suggests that he be styled as the Asst$^{t}$ Health officer Bangalore city

The latter designation has been given to him for purposes of "Epidemic Diseases Regulation" The title is now recommended to be given to him even for pur-poses of the Municipal Regulation A notification may be issued from the L.B Branch changing the designation as recommended

26/12/97

We have highly paid officers as Inspectors of mines and Agricultural banks. Apart from this however, I do not think the Municipal Regulation provides for the appointment either of a Health officer or of an assistant Health officer. Transfer this file to the L.F Deptt for submission with a copy of that Regulation

Sir,

With reference to the Government Notification No 5460 / 5828 / E.F. 226-96 of 13th November 1897 appointing Dr. B. Mahomed Osman Land as Sanitary Inspector of the Bangalore City Municipality I have the honor to recommend that his designation be changed into Assistant Health Officer, Bangalore".

Dr. Mahomed Osman is a Graduate of the Madras University and his Qualifications in Sanitary Science are of higher order than those possessed by many of the ordinary Sanitary Inspectors employed under the Municipalities here and elsewhere.

I trust that the Government will be pleased to order the Change recommended Chiefly for the reason that it would be invidious distinction shown him if he should be Classed with those men who are decidedly not his betters in every respect

Dear Sir,

I am directed to inform you that the Chief Justice has received your letter of the 15th inst. and has noted the contents.

I am to add that the Chief Justice is unable to see any reason why the Sanitary Inspector should not be appointed Health Officer under the Epidemic Diseases Regulation.

I am,
Dear Sir,
